

## Transformation Centre Internship

### Be transformed To transform

#### Transformation Centre will:

1. Provide training through one to one mentoring and the Care and Counsel Training Course
2. Provide pocket money of £40 per week
3. Holidays: a total of 20 working days, outside of normal days off.

#### The Interns will:

1. Acknowledge that they are called by God to this year of service and commit themselves fully to the vision, beliefs, personnel and ministry of Transformation Centre.
2. Agree to work under the authority of the pastor and the respective ministry leaders.
3. Participate fully in the weekly programme of work (as discussed above)
4. Endeavour to live a life beyond reproach. This is an important role that you will take on for the year, and your life will be on display for people to view, evaluate and emulate. It is essential that at all times you maintain, both in public and in private, the highest standard of Biblical morality. You will commit yourself to prayer and regular times of devotion to nurture a close relationship with God. To maintain the infallibility of the intern role, we would specifically ask that you do not drink any form of alcohol and abstain from visiting pubs/nightclubs during your internship with Transformation Centre. That you abstain from any other activities, involvements, or relationships which might, in any way compromise your own good name or the good name of Transformation Centre.
5. Understand that we reserve the right to terminate your internship if your conduct, attitude or behaviour is in conflict with the ethos or heart of Transformation Centre, a biblical life and/or the constitution of the Free Methodist movement.
6. Be prepared to be honest and open with the ministry leaders and pastor Nick Serb, making known any problems or grievances.
